

Report to Diocesan Association 20 Jan 2018

To date only 5 councils and 1 Assembly has pledged support

My thanks to Council 728, 9652, 11524, 11886, 12309 and Assy 857. That represents either council pledges or private pledges made by members of the council or assembly

That totals \$27,662 which when matched by our Philanthropist means over \$55k already pledged for this important appeal but that represents 1/4 of one room.

Obviously much more is possible if the other councils and Assembly's decide they can support with a charitable heart and a unified spirit.
